

TAMESIDE PUPIL REFERRAL SERVICE SPORT PREMIUM STRATEGY EVALUATION 2021 2022

Key achievements to date	Areas for further improvement and evidence of need
<ul style="list-style-type: none"> • Children have received high quality teaching within P.E. this year • Primary Teacher and PE specialist have worked well together to offer a variety of different sports and activities in Years 1 - 6 • Pupils have engaged well in activity-based sessions and have increased confidence in their skills • Use of KS4 student coaches from White Bridge College to act as mentors and role models for future sporting activities • Weekly trip to Lowes Marshall Arts (LMA) to experience an inspirational and exciting environment for skilled physical training. • Self-motivated additional attendance at LMA evening and weekend sessions • Regular trips based on outdoor experience and independent travel (beach expeditions and activities, dog walking, seasonal activities) • Cross-curricular/cross-site events involving Healthy Lifestyles, charity walks etc 	<ul style="list-style-type: none"> • Embed PE into the core curriculum for all students at KS2 and KS3 • Continue to offer a wide range of sporting opportunities for pupils and extend where possible in line with Student Voice • Further develop PE CPD in school with opportunities for all teachers and teaching partners. • Develop a programme of inter-school competition. • Increase the use of the skills and talents from all the staff across the service. • Include more opportunities for "out of classroom" learning for all the curriculum subjects and to encourage "active travel" • Provide a wider range of breaktime activities. • Evidence success around the school and share with parents through the website

Meeting national curriculum requirements for swimming and water safety	
Percentage of current Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25 metres?	
Percentage of current Year 6 cohort using a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
Percentage of current Year 6 cohort performing safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirement.	Nature and behaviour of students require a high staff to pupil ratio and an increased number of sessions normally required to build the confidence and resilience to acquire and embed the NC levels of attainment.

Academic Year 2021-22	Total Fund allocated £10,000		Review Date March 2022	
<i>The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</i>				
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Ensure that students are able to be fully supported in achieving the basic swimming skills of their peers	Personalised programme of Swimming lessons with additional support available	£1,908	Pupils eventually challenged themselves and independently achieved their targets and beyond.	Continue to have additional support for students at the sessions. Arrange a swimming trip to allow students to “play” safely in the water and practice their new skills
Everybody Can Alternative Provision, is designed to support schools in alternative provision to help combat different ongoing issues across the wider community. The Alternative program offers a bespoke range of activities which can be tailored to the individual or group delivered over a 1.5 hr. sessions	Attend weekly and use sport and activity to build resilience and character. Local community issues can also be addressed	£4350 (Active Tameside) Provisional	New sports/ activity tasters. Students enjoyed having access to different sports that were not available in TPRS. As skills and interests developed then the staff were able to personalise the offer for each child and enhance the experience.	An invaluable service for offering a wider range of sporting activities than can be offered within the service. Expensive provision but used wisely can be very beneficial in finding skills and building confidence in targeted students.
Provision of sports, health & wellbeing training opportunities for staff	Including a healthy eating scheme of work to support the active sports programme	£800	Contextualised application of prior learning for a healthy lifestyle. All students keen to experiment and share knowledge of healthy food and the effects on the body.	Encourage a closer relationship between all the curriculum subjects and allow for more opportunities of cross-curricular activities using all staff on site. Embed sport across the whole of the curriculum offer

Extra resources for a variety of sports	Additional items for school PE equipment to allow for creative planning	£960	Successful student led activities in-house based on personalised curriculum requests.	Increase the number of opportunities for student-led activities
PE continues to have a high profile within the school.	Children's achievements are celebrated during a dedicated time of the week	£0	Children's achievements are recognised which inspire and motivate others within the Key Stage and above.	Continue to celebrate success and promote out of school achievements.
This intervention is to help pupils who are struggling in the classroom. It combines in class lessons with a practical football session looking at perseverance and team building	Children work on a shared goal each term. The focus of each lesson leads to the final celebration.	£2000 (Football beyond borders)	This started in September 2021. Sessions take place every Tuesday and include class based and practical lessons covering the whole day.	
		Total Allocated £10,000		
		Total Spend £10,018
